DARK NIGHTS

Now the clocks have gone back, it is a lot darker in the evenings. We are still going outside after dinner but using torches to stay safe. Please ensure your child/ren attend school/Fusion with a coat every day and appropriate clothing.

Please be patient when you are collecting your child/ren in the evenings as it is difficult to see parents in the dark.

VOLUNTEERS

We have volunteers who are mostly old Fusion members, just a bit taller!

The children love having fun with the students and we love to continue to teach vital life skills to our volunteers.

Don't Forget Fusion is back Thursday 5th January 2023.

FUSION ECO-POND

Fusion are building an Eco-Pond based in the Grove Infant and Nursery School.

We have secured some funding to make it happen but are keen to find out if anyone from the parent body would like to help us.

If you can offer manpower for digging, expertise in pond building or resources to add, then we would love to hear from you.

LOST PROPERTY

Please, Please, Please, make sure everything is named and children are bringing everything home with them. We have a lot of Lost Property at the end of each session. If a item is left behind and is named we put it in the child classroom.

Children need to take responsibility for their own belongings and look after them. Unfortunately we are unable to go back into classrooms at the end of the session.
